**Christmas Eve Offering: My Gift to Jesus**

At MUMC, we celebrate the real reason for the Christmas season. All your presents have been bought, wrapped, and hopefully you are ready to take a deep breath and experience the amazing gift God gave us. Tonight you have the opportunity to give one last gift, a *Gift to Jesus* by using the special red envelope in the pews. This extra gift, separate from your Christmas Eve offering, is used 100% in ministry to our local community. Thanks to your generous gifts year after year, we are able provide brand new shoes and outfits to local students through our Happy Feet Head to Toe program, and help offset the cost of heating bills, gas, food, and more for local families. Through your generosity, this special fund makes a difference in our community. Thank you for remembering the real reason of the season.
