

LEAVE ROOM FOR JESUS

Reminders for keeping everyone safe while worshipping inside our sanctuary:

Please sit 6 ft. apart

1. When you arrive and before you come inside, we will check your temperature. As you come inside, we will ask for your name and contact information (if we don't already have it) in the event we need to contact trace.
2. After your name is registered, you are invited to make your way into the sanctuary and find a seat in a pew that is available. Some pews are taped off to allow for distancing. Please be mindful of your distance from those not in your family group and try to choose an empty pew or sit at the opposite end of the pew from others.
3. You'll find a connection card at the end of your pew. Please fill one out and place it in the offering box at the back of the sanctuary.
4. If you are an unvaccinated child or adult, please wear a mask at all times in our building. If you are vaccinated, please be sensitive to the choices of others as they decide whether to personally mask or not.
5. When the service is over, please proceed to exit the way you entered the sanctuary.

Some other aspects of worship to note:

- We will not share items like bulletins or hymnals yet. If you have a smart phone, you are welcome to find a digital bulletin on our website: www.middlesexumc.com/PreviousSundayServices.
- Holy Communion (when celebrated) will be served with disposable kits
- Offering and connection cards will be collected in a box in the back of the sanctuary.
- For our youngest disciples, quiet activity bags are available outside of the sanctuary. Starting June 5th, children in grades K-5 are invited to join children's gathering space) and those younger than Kindergarten can join the nursery in the outdoor preschool playground (adjacent to the parsonage backyard).

Thank you for your cooperation as we seek to make worship inside a safe place for all!
